

Plan Outline

SS Development Center

Let's make the difference!

We care for our children, teens, our fellow beings and also our elders...

As a token of service, we can give back to our community in not just one, but multiple ways!

Our dream and vision of starting a school, with a health-care clinic, can now be expanded into newer horizons!

Let's see how... 😊

Making the Most out of the Facility

What if we can cater to the social, professional, health and educational benefit of the entire family – the kid, his/her parent, a teenage enthusiast, and also the grandpa and grandma!

Yes – a proper planning, an effective marketing, a helpful network and a diligent execution can together empower us to benefit families in multiple ways...

Why just limit to a primary school when we have a facility that can be utilized throughout the day!

A Day Schedule

Activity	Schedule	Human Resources
Yoga, Art of Living	5:00am – 7:00am	Yoga Instructor
Primary School (KG + Class I – V) CBSE Affiliation	7.30am – 2.00pm	3 Multi-disciplinary instructors (specialized in primary education)
Session 1*	3:00pm – 4:30pm	Instructor based training with web hosting for outreach
Session 2*	5:00pm – 7.00pm	HIPS Trainer

Health Clinic & Pharmacy	3:00pm to 8.30pm	Dr. Rajyavardhan Singh Roy and Team of Doctors

Options for Sessions*:

- **Professional Certifications / IT Certifications**
- **Academic Tutoring Sessions** – Science, Math, Language, Writing
- **Fine Arts Lessons** – Music, Embroidery, Canvas painting, drawing, etc. (as per the region's favorite activity)
- **Keyboard Typing Training Sessions**
- **“Ayurveda in Daily Life”** – Sessions
- **Any other suggestion welcome!**

Primary School Schedule

As well wishers and leaders, if we can come up with the unconventional schooling practice, with adequate use of technology, and constant infusion of morale into our kids – we can say we already won!

Time:	KG	Class I	Class II	Class III	Class IV	Class V
7:30am – 8:25am	Different Schedule	Leisure	T	M	A	S
8.30am – 9.25am		T	S	E	M	A
9.30am – 10.25am		E	Leisure	S	T	M
10:30am – 11:25am		A	E	Leisure	S	T
12 noon – 12:55pm		M	A	T	E	Leisure
1:00pm – 1:55pm		S	M	A	Leisure	E

S – Science (Physical Science, Chemical Science, Biological Science, Social Science, Environmental Science)

T – Technology (Computer, Digital Tech., any other vertical of tech.)

E – Engineering (Machines, Simple Daily Applications, suggestions welcome!)

A – Arts (Language, Literature, Other Art forms)

M – Mathematics (Arithmetic, Geometry, Algebra, Trigonometry, Statistics, Integration, Differentiation)

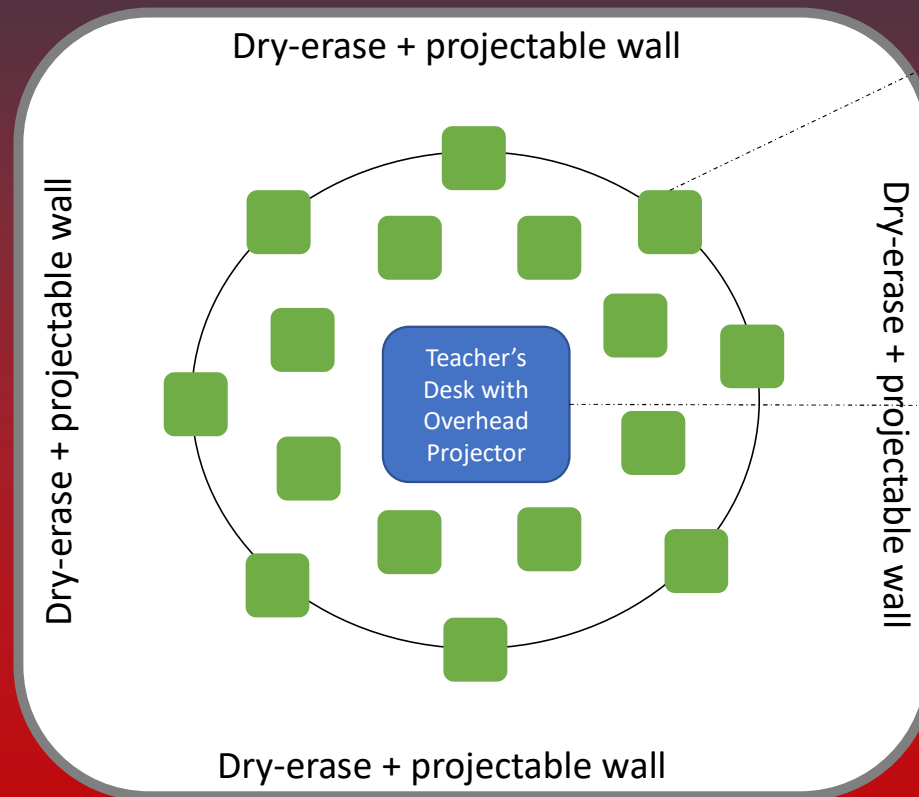

S – Knowledge → T – Enablement → E – Motor/Cognitive Skills → A – Based on Interest → M – Logical Thinking = All-Round Development

Facility Enablement for Innovation

Portable Students
Desk/seating

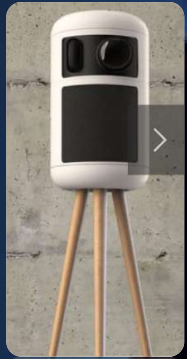

Classroom model:

Classroom Studio 360- degree projection Model 1

- Models for giving the kids the perfect learning experience of practicality and reality. This will be our Unique value proposition, rather than using separate Virtual Reality(VR) glasses for each kid.

Model 2 – Orbit360 VR
Projector - Promising

Floor Plan sample with approx. 2000 sqft carpet area.
